FREDDY'S STORY

Frederick Garrasi III was a 24 year old man with a unique passion for life when he was killed in a tragic motorcycle accident on May 3, 2013.

Fred was raised in the Town of Evans, and was a graduate of the Lake Shore Central School District and Erie Community College. He was known as a friend to everyone, and had a reputation as a reliable and kind-hearted young man who was dedicated to his family, friends, and community.

At the time of his passing, Fred had recently achieved a life-long goal of being appointed as a full-time patrolman for the Town of Evans Police Department.

Fred's family & friends established the Frederick Garrasi III Memorial Fund in Fred's memory, with the goal of providing two annual \$1000 scholarships to graduating seniors at Lake Shore High School.

The Patrolman Award is given to a young man or young woman who also exhibits compassion, kindness and community involvement, and in addition is a college-bound student who will pursue a career in law enforcement.

The Compassionate Mentor Award is given to a young man or young woman who exhibits the qualities of compassion, kindness, and community involvement that Fred demonstrated to us all. It is awarded to a college-bound student who actively works to be a good friend and neighbor to our community.

The proceeds raised from the Frederick Garrasi III Memorial 5K Event are used toward funding these scholarships, along with other various organizations.
